Please ensure you fully understand the risks before trading and seek independent professional advice if necessary.

SECTION A — TERMS FOR CFD MARGIN TRADES

1. INTRODUCTION

1.1 These Terms of Business (the "Terms" or "Agreement") form part of a wider client agreement between you (the "Client", "you", "your") and Nexus Fintrade International Ltd (the "Company", "Nexus", "we", "us", "our"). Our relationship with you is governed by these Terms together with your Account Application Form, Risk Disclosure Statement, Order Execution Policy, Conflicts of Interest Policy, Complaint Handling Policy, Privacy Policy, and any specific terms accepted by you in writing in relation to your Account or the Platform, which together constitute the "Client Agreement".

1.2 Nexus Fintrade International Ltd ("the Company"), incorporated under the laws of the Republic of Mauritius (Company No. 227330GBC), is licensed by the Financial Services Commission (the "FSC") of Mauritius as an Investment Dealer (Full-Service Dealer, Excluding Underwriting) (License No. GB25205239), and has its registered office at Suite 803, 8th Floor, Hennessy Tower, Pope Hennessy Street, Port Louis, 11328, Mauritius. The Company is authorised to provide investment dealer services (full-service, excluding underwriting) in accordance with the Securities Act 2005 and the Financial Services Act 2007 of Mauritius.

1.3 Clients may verify the Company's licensing status via the FSC Mauritius public register at www.fscmauritius.org.

1.4 This Agreement constitutes the entire agreement between you and the Company and supersedes all previous agreements, representations, assurances, and understandings between the parties, whether written or oral.

1.5 Nexus may offer financial incentives to individuals or entities who introduce new clients to the Platform. These incentives may vary depending on the method of introduction and the trading volume generated.

1.6 This Agreement is provided in English, which is the Company's official language. The English version shall always prevail. We will communicate with you in English and, where practicable, provide a translation for your convenience.

1.7 All capitalised terms have the meanings set out in Clause 38 (Definitions and Interpretations). Where a capitalised term is not defined therein, it shall carry its common trade and commercial meaning in the financial services industry.

2. SCOPE OF THE AGREEMENT

2.1 This Agreement sets out the basis on which we will enter into Transactions with you and governs each Position entered into or outstanding between you and us on or after the date this Agreement comes into effect. It becomes effective upon the Client receiving their Client Account number via email.

2.2 This Agreement governs all trading activities carried out by the Client with the Company throughout its duration.

2.3 You should read and understand these Terms carefully alongside the Company's Policies, which are available on the Company's website under the Legal Documentation section, including:

- The Order Execution Policy — explaining how trades are executed;
- The Complaint Handling Policy — setting out the procedure for raising complaints;
- The Risk Disclosure Statement — summarising the risks of trading in CFDs;
- The Conflicts of Interest Policy — explaining how we handle conflicts of interest; and
- The Privacy Policy — explaining how we handle your personal information.

3. CLIENT CLASSIFICATION

3.1 We will categorise and treat you as either a Retail Client or a Sophisticated (Professional) Client. You may only be classified into one category at any time. We shall classify you as a Retail Client unless we determine otherwise. If classified as a Sophisticated Client, you may request reclassification as a Retail Client, subject to our approval.

3.2 Different levels of regulatory protection are afforded to different categories of Client based on their level of experience, expertise, and financial standing, in accordance with Applicable Law.

3.3 We reserve the right to review your classification and amend it where we deem this necessary, subject to Applicable Law.

4. COMMENCEMENT, DURATION AND RIGHT TO CANCEL

4.1 This Agreement shall take effect and commence once the Client completes the account opening application and we notify you that your application has been accepted.

4.2 This Agreement is a distance contract and does not require a physical signature. It carries the same legal force and effect as a traditionally executed agreement.

4.3 This Agreement shall remain effective for an indeterminate period from the commencement date described in Clause 4.1, until terminated in accordance with Clause 27 of this Agreement.

4.4 You may cancel this Agreement within fourteen (14) calendar days of account activation by providing written notice to us, provided that no Transactions have been executed. In such event, we will return any funds deposited, subject to any applicable fees for services already rendered.

5. ACCOUNT OPENING AND CUSTOMER DUE DILIGENCE

5.1 Upon completing the Account opening application and being accepted as a Client, you authorise us to use all personal information provided by you for any further inquiries we deem necessary, in accordance with Applicable Data Protection Law and our Privacy Policy.

5.2 All information you provide in your Account Opening Application Form must be truthful, accurate, and complete at all times. You are responsible for notifying us promptly in writing of any changes to the information previously provided.

5.3 We will conduct due diligence on the Client in accordance with our internal policies and Applicable Laws, including anti-money laundering ("AML") and counter-terrorism financing ("CTF") requirements under the Financial Intelligence and Anti-Money Laundering Act 2002 of Mauritius. We may require you to provide additional documentation to verify your identity and the source of your funds.

5.4 Acceptance as a Client does not obligate us to approve any future account applications. You authorise us or our agents to investigate your identity, credit standing, and investment activity as we deem appropriate.

5.5 We reserve the right to withhold approval of an Account until all required documentation is received and all internal checks — including AML/CTF checks — are completed satisfactorily.

5.6 We may conduct additional due diligence at any point during the Client relationship. Failure to cooperate may result in Account suspension or termination.

5.7 Upon approval, we will open your Client Account and send your login credentials via email. Your Account will be activated once you receive this confirmation.

5.8 You must ensure that all information provided to us is true and correct in every respect. Any changes to your information must be communicated to the Company promptly in writing.

6. PROVISION OF SERVICES

6.1 Subject to the terms of this Agreement and acceptance of your application, we shall maintain one or more Accounts in your name and provide you with execution-only dealing services in relation to Contracts for Difference (CFDs) where the underlying instruments include, but are not limited to: foreign exchange (FX), metals, equity indices, individual equities, cryptocurrencies, and commodities. Our services do not include investment advice or portfolio management.

6.2 The availability of our Services is subject to your fulfilment of all obligations under this Agreement. We reserve the right to discontinue, suspend, or modify any Service or financial instrument at our sole discretion, without providing a reason.

6.3 All Services are provided on a non-advised, execution-only basis. We do not provide personalised investment advice or portfolio management. Any market commentary or analysis provided is for informational purposes only and does not constitute a personal recommendation.

6.4 You will act as principal and not as agent on behalf of any third party. You may not enter into Transactions on behalf of another person unless you have obtained our prior written consent and provided satisfactory evidence of your authority to act.

6.5 Past performance of any financial instrument is not indicative of future results. Prices and performance information are provided by third-party data providers and may not always be accurate, timely, or complete.

6.6 We are the sole counterparty to your Transactions. We may transmit your orders to third-party Financial Intermediaries for execution, but contractually we remain your sole counterparty. Any conflicts of interest are disclosed in our Conflicts of Interest Policy.

6.7 The provision of our Services shall not, unless specifically agreed between us in writing, give rise to any fiduciary or equitable duties on our part. We are not acting as your trustee, agent, or financial adviser.

7. THIRD-PARTY SERVICE PROVIDERS

7.1 We may engage third parties or affiliates to perform services on our behalf. We shall remain responsible to you for such Services in accordance with this Agreement.

7.2 We may refer you to third-party providers for products or services we do not directly offer. Any such referral does not constitute an endorsement, and we accept no responsibility for third-party products or services.

7.3 Where you choose to use a third-party service (such as an Introducing Broker or signal provider), you do so at your own risk. We shall have no liability for any loss arising from your reliance on third-party services.

8. PLATFORM ACCESS

8.1 We will provide you with a unique username and password to access your Account and the Platform. You are responsible for maintaining the confidentiality of your login credentials at all times.

8.2 Your Account and access credentials must only be used by you. You must not permit any third party to access your Account without our prior written consent.

8.3 We may rely on all instructions and Orders submitted using your username and password. You agree to be bound by all such instructions and to indemnify us against any losses arising from unauthorised access to your Account where you have failed to safeguard your credentials.

8.4 We reserve the right to suspend or terminate access to the Platform at any time, with or without notice, where we reasonably believe there has been a breach of this Agreement, a security risk, or another legitimate business reason.

8.5 You are responsible for providing your own equipment and internet connection to access the Platform. We accept no liability for any disruption, interruption, or failure of your connection or equipment.

8.6 All prices displayed on the Platform are indicative and subject to continuous change. We do not guarantee the availability, accuracy, or timeliness of any information on the Platform.

8.7 We grant you a personal, limited, non-exclusive, non-transferable licence to access and use the Platform solely for the purposes set out in this Agreement. You may not sell, lease, or provide, directly or indirectly, the Platform or any portion of it to any third party.

9. LEVERAGE, MARGIN AND COLLATERAL

9.1 CFDs are leveraged products. Leverage enables you to control a larger position with a smaller amount of capital (Margin). While leverage can amplify your profits, it equally amplifies your losses, which may exceed your initial deposit.

9.2 Leverage is expressed as a ratio (e.g., 10:1, 50:1, 100:1). The higher the leverage ratio, the less Margin is required to open a position, but the greater the exposure to potential loss.

9.3 Upon opening a Transaction, you will be required to deposit Initial Margin as calculated by us. You must maintain sufficient Margin in your Account at all times to keep your Open Positions.

9.4 We may change leverage and Margin requirements at any time, including in response to market conditions or regulatory changes. We will endeavour to notify you where practicable, but are not obligated to do so in advance.

9.5 If your Margin level falls below the Close-Out Level (as specified on the Platform), we reserve the right to close some or all of your Open Positions without prior notice in order to limit your losses.

9.6 You are solely responsible for monitoring your Account, Open Positions, and Margin levels at all times. It is your duty to ensure that your Account holds sufficient funds to meet Margin requirements on an ongoing basis.

9.7 You may lose more than your initial deposit. The Company does not guarantee that you will not incur losses in excess of the funds held in your Account.

10. ORDERS AND EXECUTION

10.1 You may place Orders on the Platform during the hours specified for each instrument. We will endeavour to execute your Orders promptly in accordance with our Order Execution Policy.

10.2 We operate as an execution-only broker. We do not assess the suitability or appropriateness of any specific Transaction for you unless required to do so by Applicable Law.

10.3 We reserve the right to refuse any Order at our sole discretion, including where we suspect market abuse, a breach of this Agreement, or inadequate Margin.

10.4 Orders may be executed at prices that differ from the price shown at the time the Order was placed, due to market volatility, liquidity constraints, or latency.

10.5 Stop-loss orders are not guaranteed. In volatile or illiquid markets, your Stop-Loss may be executed at a price materially worse than the level specified.

11. SPREADS, PRICING AND QUOTES

11.1 We quote Bid and Ask prices for each instrument. The difference between the Bid and Ask price is the "Spread", which forms part of our remuneration for providing the Services.

11.2 Spreads may widen significantly during periods of low liquidity, high volatility, major economic announcements, or market disruptions. We do not guarantee fixed spreads.

11.3 All prices on the Platform are generated internally and may differ from prices available on other venues. We are the sole price-maker for all instruments offered on our Platform.

12. CONFIRMATIONS AND TRADE RECORDS

12.1 Upon execution of a Transaction, a confirmation will be made available to you on the Platform or sent to your registered email address. It is your responsibility to review confirmations promptly and notify us of any discrepancies within 24 hours.

12.2 In the event of a manifest error in any quote, Order, confirmation, or communication, we reserve the right to void or amend the relevant Transaction without your consent, acting reasonably and in good faith.

13. FEES, COMMISSIONS AND CHARGES

13.1 Our current fee schedule is available on our Platform and may be updated from time to time. Fees may include, but are not limited to: spreads, overnight swap or rollover charges, inactivity fees, and withdrawal fees.

13.2 Overnight financing charges ("Swaps") apply to positions held open past the daily cut-off time. Swap rates are published on the Platform and are subject to change.

13.3 We reserve the right to introduce new fees or amend existing ones upon providing reasonable written notice to you.

13.4 You are responsible for all taxes, levies, and duties arising from your trading activity. The Company does not provide tax advice.

14. CLIENT MONEY

14.1 Client funds are held separately from the Company's own funds in accordance with FSC Mauritius client money rules and applicable regulations. Client funds will be held in designated client money accounts with regulated financial institutions.

14.2 Interest accrued on Client funds held in segregated accounts shall be retained by the Company unless otherwise agreed in writing.

14.3 In the event of the Company's insolvency, client funds held in segregated accounts may be subject to claims by the Company's creditors in accordance with Applicable Law.

15. DEPOSITS AND WITHDRAWALS

15.1 You may deposit funds into your Account using the payment methods specified on the Platform. We reserve the right to decline any deposit at our discretion.

15.2 Withdrawals will be processed in accordance with our withdrawal procedures, subject to satisfactory completion of all verification requirements. We aim to process withdrawal requests within 3 business days, subject to internal checks.

15.3 We reserve the right to withhold or delay a withdrawal where we have reasonable grounds to suspect fraud, money laundering, or a breach of this Agreement.

15.4 Deposits and withdrawals must be made in your own name. We do not accept third-party payments.

16. TRADING LIMITS

16.1 We reserve the right to set and amend minimum and maximum position sizes, lot sizes, and exposure limits for any instrument at our sole discretion.

16.2 We may impose account-level trading limits based on your account type, classification, or risk profile.

17. MARKET ABUSE AND PROHIBITED TRADING

17.1 You agree not to engage in any form of market abuse, insider trading, front-running, latency arbitrage, or any other abusive or manipulative trading strategy.

17.2 We reserve the right to investigate suspicious trading activity and, where market abuse is suspected, to suspend your Account, void Transactions, and report the matter to the FSC Mauritius or other relevant regulatory authorities.

17.3 Any profits generated through prohibited trading strategies may be clawed back. We shall bear no liability for losses resulting from the closure of positions opened through abusive strategies.

18. INACTIVE AND DORMANT ACCOUNTS

18.1 An Account shall be deemed inactive if no trading activity has occurred for a period of 180 consecutive calendar days, and dormant if no activity has occurred for 12 months.

18.2 We reserve the right to charge an inactivity fee on inactive or dormant Accounts at the rate specified in our fee schedule. We will notify you prior to deducting any such fee.

18.3 We reserve the right to close a dormant Account upon providing written notice to you at your registered email address.

19. DATA PROTECTION AND PRIVACY

19.1 We collect, process, and store your personal data in accordance with our Privacy Policy and Applicable Data Protection Law, including the Data Protection Act 2017 of Mauritius.

19.2 By entering into this Agreement, you consent to us processing your personal data for the purposes of providing the Services, complying with our regulatory obligations, and communicating with you.

19.3 We may share your personal data with the FSC Mauritius, law enforcement agencies, and third-party service providers as required by law or for the purposes of providing the Services.

20. COMMUNICATIONS

20.1 All communications between you and the Company shall be in English unless otherwise agreed. We may communicate with you by email, telephone, or through the Platform.

20.2 Notices sent to your registered email address shall be deemed received upon transmission. It is your responsibility to ensure that your contact details are kept up to date.

20.3 Telephone calls between you and our team may be recorded for training, compliance, and dispute resolution purposes in accordance with Applicable Law.

21. CONFLICTS OF INTEREST

21.1 We are committed to managing conflicts of interest fairly and in accordance with our Conflicts of Interest Policy, a copy of which is available on our website.

21.2 As a market maker, we act as the counterparty to your Transactions. Our interests may in some circumstances conflict with yours. We take appropriate steps to identify and manage such conflicts in accordance with our policy.

22. EXPERT ADVISORS AND AUTOMATED TRADING

22.1 The use of Expert Advisors ("EAs") or automated trading systems on our Platform requires our prior written consent.

22.2 You are solely responsible for the operation and performance of any EA or automated system used on your Account. We accept no liability for losses arising from the use of EAs or automated trading strategies.

22.3 We reserve the right to disable or restrict EA trading on your Account if we determine that such trading poses a risk to the stability of the Platform or constitutes an abusive trading strategy.

23. FORCE MAJEURE

23.1 We shall not be liable for any failure or delay in performing our obligations under this Agreement where such failure or delay results from circumstances beyond our reasonable control, including but not limited to: acts of God, natural disasters, war, terrorism, civil unrest, government actions, exchange or market closures, system failures, or telecommunications failures ("Force Majeure Event").

23.2 In the event of a Force Majeure Event, we may, at our discretion, suspend trading, close Open Positions, or vary the terms of this Agreement for the duration of such event.

24. EXCLUSION AND LIMITATION OF LIABILITY

24.1 To the fullest extent permitted by Applicable Law, we exclude all liability for any loss or damage — whether direct, indirect, special, or consequential — arising from your use of the Platform or the Services, including but not limited to: loss of profits, loss of opportunity, or loss of data.

24.2 We do not exclude liability for: (a) death or personal injury caused by our negligence; (b) fraud or fraudulent misrepresentation; or (c) any other liability that cannot be excluded under Applicable Law.

26.3 If you do not accept any amendment, you must notify us in writing and close your Account prior to the effective date of the amendment.

27. TERMINATION AND SUSPENSION

27.1 Either party may terminate this Agreement at any time by providing written notice to the other party. Termination shall not affect any rights or obligations accrued prior to the date of termination.

SECTION B — RISK DISCLOSURE STATEMENT

This Risk Disclosure Statement is provided in accordance with FSC Mauritius requirements. It sets out the principal risks associated with trading CFDs and other leveraged financial products. This statement does not purport to be exhaustive. You should carefully consider whether trading in these products is appropriate for you in light of your experience, financial situation, investment objectives, and risk tolerance.

Market Risk

The value of CFDs and other leveraged instruments can fluctuate rapidly and significantly. You may lose all of your invested capital. Market prices may move against your position at any time and without warning.

Leverage Risk

Leverage amplifies both gains and losses. A relatively small adverse movement in the price of an underlying instrument can result in a loss that significantly exceeds your initial deposit. You should never trade with money you cannot afford to lose.

Liquidity Risk

During periods of market stress or low liquidity, it may be difficult or impossible to execute Orders at the desired price. Spreads may widen substantially and positions may be closed at prices significantly different from those expected.

Counterparty Risk

As a market maker, Nexus Fintrade International Ltd acts as the counterparty to your Transactions. You are exposed to the risk that the Company may be unable to fulfil its obligations to you.

Technology Risk

Electronic trading platforms are subject to technical failures, system outages, internet disruptions, and cyber threats. These events may affect your ability to place, modify, or close Orders. We do not guarantee uninterrupted Platform availability.

Currency Risk

If you trade instruments denominated in a currency other than your Account base currency, movements in exchange rates may adversely affect the value of your positions and any profits or losses.

Overnight / Rollover Risk

Positions held open overnight are subject to swap or rollover charges, which may be substantial depending on the instrument, position size, and prevailing interest rate differentials.

Gapping Risk

Gapping occurs when prices of CFDs suddenly shift from one level to another without passing through the level in between. There may not always be an opportunity for the Client to place an Order between the two price levels.

Stop-Loss Risk

Stop-loss orders are not guaranteed. In fast-moving or illiquid markets, your stop-loss may be executed at a significantly worse price than specified ("slippage").

Regulatory Risk

Changes in applicable laws or FSC Mauritius regulations may affect the availability of certain products or Services, leverage limits, or other aspects of trading.

⚠️ **BY OPENING AN ACCOUNT WITH NEXUS FINTRADE INTERNATIONAL LTD, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND ACCEPTED THE RISKS DESCRIBED IN THIS RISK DISCLOSURE STATEMENT.**
